

Front Runners New York, Inc.

Minor Policy

Adopted December 7, 2013
Amended November 19, 2015

Front Runners New York (the “Club”), being an organization for the benefit of adults, is unqualified and unequipped to be responsible for the participation of minors in Club activities. Accordingly, no person under the age of eighteen (18) shall attend or participate in any event with Front Runners—whether the Club is sponsoring or organizing the event, such as regular runs or social gatherings, or merely a participant in such event, such as the Pride Parade or a Club coordinated volunteer opportunity with any other organization (collectively, a “Front Runner event”)—unless at least one legal guardian is a member of Front Runners in good standing and is present and supervising their minor child or adolescent at such Front Runner event at all times. Any member who so chooses to have their minor child participate in any such Front Runner event understands and affirms that the Club cannot be held liable or responsible for any harm of any kind that may be caused by that minor child or adolescent’s attendance, and their legal guardian wholly assumes any risks associated with their attendance at any such Front Runner event.
